Photo Feature: Peaches are ripening

By the Daily News
Tuesday, June 3, 2008 11:41 AM CDT

[Print this story](#) | [Email this story](#) | [Text Size](#)

Felix Martinez (above) and Edgar Garcia (right), both of Bowling Green, thin peaches Monday from trees at Jackson's Orchard.

The thinning process knocks off about half the fruit on the tree, allowing better peaches to grow, according to orchard employees.

Peaches will be available for purchase around the end of June.
